

MEDICAL & DENTAL INTERVIEW SERIES

85.2% successful admissions in 2023*

MedEssentials - Adelaide's premier UCAT & Interview preparation system is proud to announce our 2023 Interview Training Day. The program is taught by professionals with extensive experience in the medical & dental interview process. Content is tailored specifically for interviews at The University of Adelaide and is updated annually to reflect changes in the interview format. Our training will focus on multi-mini interviews, which is a format we have extensive experience from the previous year's interview
